

R7

R7 - Armadi frigoriferi GN 2/1 per la ristorazione

- Costruzione in acciaio inox AISI 304 interno ed esterno.
- Cruscotto e porta dritti (Raggio 7) e maniglia a presa rovescia.
- Accessori interni di serie: cremagliere e guide in acciaio inox, 3 robuste griglie GN 2/1 plastificate per porta (1 per mezza porta) adatte ad alimenti (portata max per griglia 20 kg).
- Serratura con chiave.
- Varianti funzionali: porte intere, mezze porte, doppie temperature, vano statico 350 TN per pesce, versioni senza unità condensatrice predisposti per unità remote.
- Varianti con porte a vetro (battenti e scorrevoli) ed illuminazione verticale (di serie) per il cliente che ha necessità di esporre rendendo ben visibile il suo prodotto refrigerato o congelato.

R7 - Gastro Norm 2/1 upright chiller and freezer cabinets

- AISI304 stainless steel inside and outside
- Smooth straight frontal upper panel and door
- Standard fitting per door: 3 plastic coated shelves on s/s runners per door (1 each half door) (max. load per shelf: 20 kg.)
- Lock
- Models available: full door, half door, with combined temperatures, fish compartment, without condensing units equipped for remote units.
- Models available: glass hinged or sliding doors with internal lighting for customers who need to show chilled or frozen food.

Angoli interni arrotondati
